

# Welcome to the IPD Alumni Club

More export opportunities and international networking

The IPD Alumni Club is designed as a platform to provide you with continuous support after the completion of the active support phase. The alumni status enables you to stay connected with IPD and other alumni companies. Our aim is to give you the opportunity to leverage your achievements, expand your network and gain access to valuable resources. By remaining in touch with us, you can benefit from ongoing IPD activities and events, while we can use the opportunity to continue following-up with your journey.
